

Sex Trafficking Pediatric Patient - Mental Health Resources

Emergency Services

- Evaluation in the ER with option of inpatient treatment determined by ER clinician
- Star Care Specialty Health System 806-740-1414
 - Toll Free 1-800-687-7581
 - Routine Services Intake, Screening and Assessment 806-766-0310
 - StarCare manages a network of services for children and adolescents with mental illness. Screenings and assessments are free and available to everyone, and psychiatric care is available to individuals determined to be eligible. All individuals found eligible for services will be given a choice of providers, and be assisted by a service coordinator to develop a plan for services. Parents are encouraged to be involved in all aspects of the child's treatment.

Therapy Assessment

- Meeting of Mental Health Coalition on 2/1/18 to discuss an Online resource for therapy directory. Susan Calloway and Pat Randolph
- Center for Superheroes 806-743-2669
